State, National Dignitaries And Adams Countians Commend WGET On Its First Anniversary

WGET, Adams county's only radio station, celebrated its first anniversary Monday evening with an "open house" that attracted more than 500 persons and a special program featuring outstanding activities of the past year. Congratulatory messages from local merchants and organizations praised the station for its services to the public. There were also messages of congratulations from Governor John S. Fine, U.S. Senators Edward Martin and James Duff, Congressman James F. Lind and Burgess William G. Weaver.

Martin, Duff Messages

"The voice of Adams county" has become an important factor in economic, spiritual and cultural progress, and an inspiration for better Americanism. The past year was one in which all freedom in the world was challenged by cruel and ruthless aggression, by Godless communism. It was a time which called for selfless devotion to the highest principles of American patriotism. We must mobilize all our resources, industry, agriculture, labor and finance as well as all our moral and spiritual forces to combat the menace of communism. Radio stations of America have done much to bring Americans to a realization of the need for a better and greater Americanism."

Senator Duff wrote: "I congratulate Radio Station WGET on this, its first birthday. The Gettysburg area is a truly wonderful place. First of all, Gettysburg is a name that is famous world-wide. Nothing can lessen the importance of the great battle that was fought there. As time goes on the lustre of that event will never be diminished."

Sees Era Of Expansion

Forecasting greater tourist visitation in the future than ever before, Senator Duff said: "In addition to the historical features in the Gettysburg area you have also one of the finest residential sections anywhere in Pennsylvania. In addition to all the other advantages of your community you have the wonderful people who live in your part of Pennsylvania. With these unrivaled advantages, your community therefore can look forward in a very short period to one of the greatest eras of expansion in your whole history."

"One of the necessities of this advancement is a radio station such as WGET now provides for you. I congratulate the station on its anniversary and the people of the community not only on your wonderful community, but also on your wonderful prospects."

Message From Governor

Governor John S. Fine wired: "I am hopeful that this is only the first of many progressive occasions to be commemorated by you. Please accept my congratulations upon reaching your first anniversary of radio service to the public."

Written By Staff

Congressman Lind wrote: "My sincere congratulations and best wishes to each and every employee of radio station WGET. During the past year, the news and entertainment programs, etc., carried over your station were indeed a most worthy service rendered the people of Gettysburg and surrounding community. The program directors and employees who played a part in making this possible deserve to be commended."

Written by members of the staff, the first anniversary program was narrated by Owen Vogt, Maureen Nelson, Edwin Shoop and Jack Weitzel in the studio. John Duff and Manager Earl C. Pace engineered the production. For the "open house" Engineer Lester M. Blair acted as guide and Mrs. Blair, Mrs. Drew, Mrs. Vogt and Miss Ann S. Snider were hostesses.

Rebroadcast First Program

The program opened with a recording of last year's dedication program with Rev. Clyde R. Brown, president of the Gettysburg Ministerium, pronouncing the invocation. Rev. Henry Reilly, pastor of the local Methodist church, pointed out "the ministers are happy to use the facilities of WGET. Through those facilities people who otherwise would be unable to attend services on Sunday are able to hear the services in our local churches; through WGET each morning the people of the county are able to obtain a spiritual lift through the morning devotional programs."

Hugh C. McIlhenny, president of the Adams county historical society, termed it "a fortunate coincidence that WGET went on the air as the county's sesquicentennial opened."

MRS. LAUVER IS GIVEN NATIONAL MOOSE POSITION

Mrs. Virginia Lauver, first senior regent of the Gettysburg chapter of the Women of the Moose, when the chapter was instituted November 15, 1942, was named executive grand regent for southeastern Pennsylvania at the international convention held last week in Buffalo, N. Y. She is one of four for the entire state.

Mrs. Lauver was installed Thursday by Pilgrim Governor Rodney E. Brandon of Chicago, and will assume her new duties on September 1. She is the first member of the Women of the Moose from Gettysburg to be honored with a national office.

Usher For Regents

She was also assigned as usher during the convention, at the college regents' ritualistic service, at which Mrs. Enola Evans of Gettysburg received the college of regents degree. Mrs. Laura Swope, also of Gettysburg, was an usher at the star recorder's session.

Mrs. Lauver's first assignment will be to assist Marie Clark, graduate associate regent, in the entertainment of national officers at the state conference in Reading Friday.

Mrs. Lauver received the academy of friendship degree in the Women of the Moose in Pittsburgh in 1944 from the late James J. Davis, and the college of regents degree in Chicago in 1946. In January, 1951, she received the staff for four years of service in the college. During her term as executive grand regent, she will visit many of the 164 chapters in Pennsylvania.

Those attending the Buffalo convention, besides Mrs. Lauver, were Mrs. Marie Keller, senior regent; Mrs. Swope, and Mrs. Evans, all of Gettysburg, and Mrs. Eida Gage, Littlestown. Attending the Moose convention were C. Lester Oyler, governor of the local lodge, and Charles L. Lauver, secretary.

NEW ANNOUNCER ON WGET STAFF

J. Kenyon "Jack" Weitzel, former student of Gettysburg college and announcer for WGAL, Lancaster, the past year and a half, today joined the staff of WGET as an announcer and sales representative.

Mr. Weitzel received his first opportunity for radio work on the Gettysburg college station, WVGW, serving as an announcer and dramatic director.

At the completion of his sophomore year at the college he attended the Columbia university undergraduate school at the National Broadcasting company, New York City, for training as an announcer.

Following that he accepted a post with WGAL, serving there until his employment by WGET.

A native of Elizabeth, N. J., he married the former Miss Elizabeth Jane Britcher, daughter of Mr. and Mrs. Frank N. Britcher, 49 East Stevens street, last September. They live on East Stevens street.

Deny Report Of Nearby Sabotage

Officials at the underground "second pentagon" installation today discounted a rumor concerning purported attempt to sabotage the installation over the week-end.

A report was being circulated in Fairfield that a fuse had been smuggled into the place and set into a quantity of stored dynamite. A worker, it was said, snuffed out the fuse in the nick of time.

One official asserted the story had no basis. Agents of the FBI who are assigned to the project could not be contacted.

NO CHANGES IN BUS ROUTES OF UPPER JOINTURE

Upper Adams jointure schools will reopen Wednesday morning, September 5, at 8:30 o'clock, Supervising Principal L. V. Stock announced today.

For the 963 students transported to the various schools in the jointure the buses will run—on opening day—just as they did last year.

Principal Stock explained that the same routes and times will be used in order to prevent any misunderstandings. Any changes that are needed in the routes of the 16 buses will be made after school has started and the youngsters thus will be able to become familiar with new routes.

Half Days Next Week

The jointure schools will operate on half-day sessions on Wednesday, Thursday and Friday to permit the youngsters to attend the South Mountain fair. Because schools will be open only a half day each day the school cafeterias will not open until Monday, September 10.

Principal Stock noted that the elementary school age children of families which have moved to other attendance areas during the summer should report to the school within their attendance area rather than to the school they attended last year.

All students planning to enter the first grade who did not attend the pre-school clinic at the close of the last school term must present their birth and vaccination certificates to their teachers on the first day of school, Mr. Stock said. He added that the pre-school clinic screening test will be given to those who have not previously had the test during the first two weeks of the forthcoming school term.

A total of 1,400 children are expected to attend the Upper Adams school system this year.

THREE ENROLLED IN AUXILIARY OF FIRE COMPANY

Three new members were admitted at the regular monthly meeting of the Ladies' auxiliary of the Cash-town Fire company held Monday evening in the company hall. Mrs. Bruce Wetzel, vice president, presided in the absence of the president, Mrs. Edna Kuhn.

Devotionals were in charge of Mrs. Crowell Bucher, chaplain. Mrs. Glenn Keller presided at the piano during the song service. A financial report was given by Mrs. Lloyd Biecker, treasurer. It was voted to hold a white elephant sale at the September meeting instead of holding games. Objects are to be brought unwrapped.

Mrs. R. Dale Bream was elected to serve as the auxiliary's representative to the Adams County Home auxiliary.

The garment for patching was circulated. Twenty-eight members attended. The meeting was closed with the singing of "Now the Day Is Over."

Refreshments, which consisted of a wiener roast, were served on the parking lot of the hall by the committee in charge for the month of August.

What Price Religion?

Toledo, Aug. 28 (AP)—Two Toledo brothers who have worked a combined total of 45 years for the New York Central System here face dismissal from their jobs because they are conscientious objectors to union membership.

Their religious beliefs, they contend, prevent them from joining the Brotherhood of Locomotive Firemen & Enginemen, as required by a union shop agreement between the NYC and the railway unions.

One of the men, Cornelius H. Delamotte, a hostler with 22 years of service, already has received notice his employment will end September 8. A similar notice is expected to be sent to his brother, Charles, with 23 years of service, when he returns from vacation.

Both men are members of a religious group which carries no public label, has no set creed and no ministers. It has been referred to as the Plymouth Brethren.

Believing in a strict and literal interpretation of the Bible, the men base their refusal to join the union on this verse appearing in St. Paul's Second Letter to the Corinthians, 6:14:

"Be ye not unequally yoked together with unbelievers, for what fellowship hath righteousness with unrighteousness and what communion hath light with darkness?"

The company granted Cornelius a hearing in which he was given an opportunity to pay the initial assessment for joining the union. He refused and said he would not exercise his right to further appeal.

J. H. Spooner, NYC division superintendent, said the company is reluctant to dismiss the men but is bound by the union shop agreement signed recently with the unions.

TWO GASTLEYS CONVICTED AS COMMON SCOLDS

An Adams county jury this morning found Maggie and Emma Gastley, West High street, guilty of being "common scolds" after deliberating 30 minutes.

The jury began hearing the case late Monday morning and testimony was completed at 5 o'clock Monday night. This morning District Attorney Daniel E. Teeter and defense attorney Eugene Hartman completed their arguments and Judge W. C. Sheely gave his charge to the jury.

The jurors retired to begin deliberations at 10:50 and returned at 11:20 o'clock with its verdict of guilty. After foreman George H. Eckenrode, Sr., had handed up the verdict, Attorney Hartman called for a poll of the jury. Each of the 12 answered, when called, that they had found the Gastleys guilty as charged.

Call New Jury

While the Gastley jury was completing its deliberations a new jury was called to hear the case of Richard D. Currens, Orrtanna R. D., charged by Harry M. Deardoff, also of Orrtanna R. D., with pointing and discharging a firearm. Deardoff, in his testimony, said Currens pointed a rifle at him three times, discharging it the last time. Deardoff and Currens both told of a number of differences between Deardoff, his son, Peter, and brother, Ted, and Currens.

Currens claimed the Deardoffs had been "picking on him" and said he fired the gun into the air to warn them away from his place, adding "a man gets tired of two men picking on him after six or eight years."

Currens Jury

Members of the Currens jury include Henry Neely, Fairfield; Francis Hemler, Gettysburg; Glenn Herman, East Berlin; James Oyler, Mt. Joy township; Melvin Altland, Reading township; Robert Kennedy, Jr., Huntingtown township; Lester Emmert, Hanover; Paul Wagner, Biglerville; Stanford Hoy, Gettysburg; Brinton H. Miller, Reading township; C. S. Sponseller, New Oxford; and Amos C. Bigham, Hamiltonban township.

Attorney Eugene Hartman was named by the court to represent Currens in the case.

Hear Many Witnesses

The trial of the Misses Gastley called forth more witnesses than have appeared in a case in Adams county court in a long time.

George E. Livingston, Gettysburg R. D., was the first to take the stand. He reported a number of occasions, citing July 4 and 24, when he claimed the Misses Gastley called him and his wife several vile

MORE CULINARY EXHIBITS ARE URGED AT FAIR

Mrs. Guy Herring, chairman of the culinary department of the South Mountain Fair, today urged greater participation by all counties in that department.

Premiums have been increased on a number of the exhibits, she said, thus making it more worthwhile for counties to show their canned fruits and vegetables, jellies, preserves, bread, rolls and pies.

"Since this is a county noted for its fruits and vegetables, we hope that more counties will take pride in their fair and help make it a success by bringing exhibits of their home canning and baking to the fair to compete for prizes," Mrs. Herring said.

Place Exhibits Monday

Members of the committee will be at the fairgrounds Monday evening from 7:30 to 9:30 o'clock to receive articles for the culinary department, Mrs. Herring said. In addition, members of the committee will be present at the fairgrounds Wednesday morning, September 5, until 9:45 o'clock to receive baked goods. Judging of the baked goods will start at 10 o'clock that morning.

Canned goods must be placed on exhibit next Monday evening or at the latest on Tuesday, because the fair will open Tuesday evening at 6 o'clock.

STAG PARTY TONIGHT

The regular weekly stag party at the Gettysburg Country club will be held at 9 o'clock tonight at the clubhouse and not the locker room as on previous occasions. Refreshments will be served. William Phelps is chairman of the committee.

Reds Sent Plane Through Act Of Bombing Kaesong And Then Blamed Allies For "Attack"

Tokyo, Aug. 28 (AP)—The United Nations command charged today that the Communists sent one of their own planes through the motions of bombing Kaesong last Wednesday and then blamed the Allies for the attack.

The charge was contained in a bulletin released by the public information office at Gen. Matthew B. Ridgway's headquarters as the U.N. commander studied a Communist note that could shatter hopes of truce in Korea.

"There is as yet no indication as to the nature of the reply General Ridgway will make to the latest Communist letter," the public information office said.

Try to "Trap" Ridgway

The Reds offered to resume truce talks — which they broke off last Thursday — on certain conditions. Primarily, they want Ridgway to say a U.N. plane bombed the Kaesong neutral area Wednesday.

He has already said no U.N. plane was even in the area.

Less than 24 hours after the Reds rejected this, Ridgway's public information office restated the same position in detail. It said no U.N. planes were in the area at the time of the attack but that an unidentified plane was. It added:

"It is beyond doubt that this was a Communist aircraft. All evidence established the clear conclusion that on the night of Aug. 22 the Communists perpetrated a deliberate fraud."

BROOKLYN LEAD REDUCED TO 5 AS GIANTS COP DOUBLEHEADER

By RALPH RODEN
(Associated Press Sports Writer)

There's no evidence of panic in Brooklyn today, but the citizens of Flatbush are growing uneasy over the exploits of Leo Durocher's surging New York Giants.

The hot shots from the banks of the Harlem river have soared to within five games of the pace-setting Brooklyn Dodgers on the wings of a sensational 16-game winning streak.

The Giants increased their unbeaten streak yesterday as they took a doubleheader from the Chicago Cubs, 5-4 in 12 innings and 6-3. The Dodgers split a two-night doubleheader with Pittsburgh, winning the opener, 5-0, but losing the second game, 5-2.

The contenders in the tight American league scramble were idle. They resume action today with the Cleveland Indians, out in front by a game, entertaining the Philadelphia Athletics while the runner-up New York Yankees are at St. Louis. The third-place Boston Red Sox play at Detroit and the fourth place Chicago White Sox are at home against Washington.

Athletics Beat Tigers

The Athletics shaded the Detroit Tigers, 1-0, in the only American league game yesterday. In other National league games, the Boston Braves captured a two-night doubleheader from the St. Louis Cardinals, 6-3 and 4-2, and the Philadelphia Phils swept a two-night program from Cincinnati, 2-0 and 3-0.

Larry Jansen posted his 17th victory for the torrid Giants in the opener against Chicago. The Cubs pushed home a run in the top of the 12th but the Giants came right back with two in their half to pull it out. Whitey Lockman singled with the bases loaded to send home the tying run and pinch-hitter Bill Rigney knocked in the winning counter with a fly ball.

The Giants encountered easier sailing in the second game, running up a 6-1 lead in seven innings. Home runs by Ed Stanky and Monte Irvin eased rookie Al Corwin to his fifth straight victory without a loss. Home runs by Hank Sauer and Bob Ramazotti accounted for all of Chicago's runs.

Brilliant Pitching

Ralph Branca turned in one of the finest performances of his career in the first game at Brooklyn. Branca had a no-hitter working until the ninth, when Pete Castiglione and George Metkovich singled with none out. The victory was Branca's 12th and second straight shutout. First inning homers by Carl Furillo and Jackie Robinson sewed it up.

Clyde McCullough beat the Dodgers almost singlehanded in the nightcap as he drove in four runs on a double and a home run. Lefty Bill Werle started for Pittsburgh and received credit for the victory, but Vern Law saved the game by holding the Dodgers hitless over the last 3 2/3 innings.

Home runs and brilliant pitching featured the Phils sweep over the Reds. Bill Nicholson accounted for both runs in the opener with a first inning homer. Jocko Thompson blanked the Reds on three blows.

Del Wilber pounded out consecutive homers in the third, fifth and seventh innings off Ken Raffensberger to drive home all the runs in the second game. Ken Johnson shut out Cincinnati on seven safeties.

Little Bobby Shantz whitewashed the Tigers on seven hits. Dave Philley belted Marlin Stuart for a homer in the second to win the game for the A's. Tiger George Kell collected two hits in three official tries to take over the league batting leadership from the A's Ferris Fain who singled in four trips. Kell is two points up on Fain, 333 to 331.

BESHORE LOSES BOSTON BATTLE

Boston, Aug. 28 (AP) — Brockton's unbeaten Rocky Marciano today boasted a heavyweight boxing record of 32 knockout victories in 37 professional starts.

He made Freddie Beshore of Harrisburg, Pa., his latest victim by flattening the rollypoly battler at 50 seconds in the fourth of their scheduled 10-round bout before 9,323 last night at the Boston Garden.

At 196, Beshore had an eight and one-half pounds advantage on Marciano. But the hard-punching Brocktonite had all the other assets. After three tame rounds, in which Marciano missed frequently, he finally got going against his almost stationary target.

A series of lefts and rights to Beshore's well padded middle followed by a vicious two-fisted attack to the head toppled Beshore backwards for the full count.

It was Marciano's second professional Boston appearance. Last year he flattened Gino Buonvino of Italy, in the 10th and final round of an outdoor bout.

Last night's crowd, mostly Marciano admirers from his hometown, provided gross gate receipts of \$26,933 and a "net" of \$21,632.

THUNDERBOLTS DRILL FOR 5TH GRID SEASON

Frank E. Basehoar assistant to the supervising principal, Paul E. King, at the Littlestown Junior-senior high school, has announced that the first football camp since the inauguration of the sport four years ago at the school, is now in progress for the Thunderbolts.

The pre-season drills for about 30 candidates took place last week with the boys living at home and working out in the evenings on the home fields under the direction of Clayton L. Evans, local mentor, and his assistants, George H. Dittow and Maurice E. Bream. This week the candidates are staying at the school, sleeping in the gymnasium, eating in the cafeteria and continuing to practice on the local field.

Head Coach Evans, preparing for his fifth season, will play a nine-game schedule opening with the Biglerville Cannons on Friday, September 7, at 8 p.m. on the Littlestown Memorial field. WOMEN'S TENNIS HAS NEW STAR IN COAST GIRL

By GAYLE TALBOT

Forest Hills, N. Y., Aug. 28 (AP)—Women's tennis, which has badly needed some new blood for several years, appears to have come up with a real winner in Maureen Connolly, a cagy 16-year-old court personality from San Diego, Calif.

Maureen scarcely will win the national title in the current tournament. Tall Doris Hart of Miami is a bit too good for all the other girls at the moment. But Maureen could take the big cup next year, and she is an absolute lock to be champion before she's 20.

Several times national junior titlist, the west coast's newest star surrendered that crown this season in order to play on the U. S. Wightman cup team against Britain. Tales of her long string of conquests this summer preceded her here, and there is nearly as much interest in seeing her play as there is in Dick Savitt and Tony Trabert among the men.

Few See Match

Not many have seen the blonde, sturdy youngster yet. She had her first outing yesterday and won her match with Frances Schenewind, a lefthander from Upper Montclair, N. J., 7-5, 6-0, but through an absolute inspiration on one of her part the match was contested on the semi-private club house court, some two blocks from the stadium where the crowd was assembled.

Maureen, no doubt flustered at making her debut before the discerning gaze of the club members, had a very shaky start and found herself down 5-2 in the initial set before she brought her game under control. But from there on she showed the members how tennis should be played.

Trabert Joins Navy

As the championships went into their fourth day, most of the talk about the men's division concerned yesterday's disclosure that Tony Trabert, the brightest of the young stars, had joined the navy and expected to report on September 24.

There was some vague hope that the 21-year-old slugger from Cincinnati might gain leave to accompany the American Davis cup team to Australia in November. If he does not, it was agreed that the race for the second singles berth opposite Dick Savitt now is a wide-open scramble between Herbie Flam, Art Larsen and Billy Talbert.

HAGERSTOWN HI HAS 16 VETS; HERE SEPT. 14

What may well be one of the toughest games of the season looms for the Gettysburg high school football team when it opens its season Friday night, September 14, with Hagerstown high here.

Hagerstown is looking forward to one of its best seasons in many years and bases its optimism on the return of 16 veterans from last year's strong aggregation.

Coach Mel Henry has the following holdovers among his squad of 61 candidates: Leo Burke, quarterback; Noel Spence, fullback; Joe Weiss and Monk Johnson, tackles; Austin Comstock, Phil Thompson, Richard Ott and Don Trumpower, guards; Dick Beggerly, center; Beer, end; Blake Chaney, Sidney Bowman, Bill Cianelli, Don McBrien, Dick Smith and Jim Gossard, backs.

Warriors At Camp

Coaches Howard Shoemaker and Ross Sachs took their Gettysburg squad to Camp Nawakwa, near Brysonia, Monday where they will remain until Friday afternoon. Two drills are listed daily, morning and afternoon, with chalk drills for the evenings.

Following Friday's final workout at camp the Warriors will return to their home field for drills next week.

White Hill won the championship of the Bi-County Baseball league by blanking York Springs, 3-0, Monday evening at Mt. Holly Springs.

GEN. MACARTHUR NOT TO ACCEPT CHANDLER'S JOB

New York, Aug. 28 (AP) — Gen. Douglas MacArthur was promised the job of baseball commissioner by unanimous vote but turned it down flat, it was reported today.

The general was not immediately available for comment on the report but his aide, Maj. Gen. Courtney Whitney, declining to confirm or deny it, said:

"As far as I know, the general has never given serious thought to the baseball commissionership."

MacArthur was expected to make a statement later today. The Chicago Tribune, in a Washington dispatch, quoted a baseball club owner as saying a committee representing the owners had spent three hours with the general last week in his suite at the Waldorf-Astoria hotel here.

The unidentified owner, according to the newspaper, said the committee had told the general he would be elected unanimously if he would accept.

Four Candidates Left

MacArthur reportedly replied that the "offer is a great honor" but he "could not accept the job."

The famous general was known to be one of the five remaining candidates for the vacant commissioner's post after a screening session of the 16 major league club owners here last week.

The others, it was learned by the Associated Press, are: Gov. Frank Lausche of Ohio; Ford Frick, president of the National League; Warren Giles, general manager of the Cincinnati Reds, and Milton Eisenhower, president of Penn State college.

The club owners have been called into a joint session at Chicago September 20 to name a successor to A. B. (Happy) Chandler, who resigned July 15 to end a stormy seven-year term in office.

These were other fast breaking developments as baseball sought a new guiding hand:

1. In Washington, Clark Griffith, owner of the Washington Senators, said he thought Giles has the best chance of getting the position.

2. In Cincinnati, talk was that Lausche had accumulated such strong backing that he was demanding a ten-year term as commissioner.

Giles was reported lining up be-

2ND ALL-STAR GAME CARDED

The "North" and the "South" will meet again on Wednesday evening, when the Pen-Mar league will stage the second in a three-game series of all-star baseball games at 8 o'clock on the Littlestown Memorial field. The "North" team will be composed of members of the following clubs from Pennsylvania: McSherrystown, Fairfield, Littlestown and Cashtown. The boys from south of the Mason-Dixon line will consist of stars from the Thurmont, Taneytown, Emmitsburg and Westminster teams.

The first of the playoff games took place in Littlestown last Wednesday evening with the Marylanders defeating the Pennsylvanians, 5 to 1. The "North" will be out to avenge the defeat Wednesday evening, and a large crowd is expected to witness the tilt. The lineup for the forthcoming game will be practically the same as of last week. On Wednesday the Pennsylvania squad will take the field for batting practice at 6:30 o'clock, and the Maryland boys will get the field at 7:15 o'clock.

Bream Reunion: Beneath the boughs of the sturdy trees, which have furnished a pleasant outing place for several generations of the Bream family, along Marsh creek, on the old homestead, now occupied by Robert S. Bream, Cumberland township, the descendants of Francis Bream held their annual reunion on Wednesday. About fifty members were present and a delightful day was passed. All of the six brothers and one sister and members of their families were present. The brothers are: Henry L. Cashtown; Calvin P. of Hamiltonban township; Hon. R. William, of Highland township; Jacob F. Harvey D. and Robert S. of Cumberland township, and the sister, Mrs. J. G. Swartz, of Waynesboro.

Plague of Caterpillars: The caterpillar plague has reached this place, and many fine shade and fruit trees are denuded of their foliage. They made their appearance about two weeks ago and immediately proceeded to go to work on the trees. In some parts of the town they have cleared the trees of their foliage, and, having nothing to live on, are coming down from their lofty perches and swarming in droves over the houses, thus making life miserable for some of our housewives. It was rather an unusual sight on Sunday to see women at almost every house in some streets, with brooms sweeping them from the porches and the houses. There seems to be no remedy now, except by spraying the trees with paris green. The pest is prevalent all over the eastern states, and in some parts of the state, it is said have compelled people to move out of their houses.

By GEORGE MATTHEW ADAMS

PERSONAL SATISFACTION

We would all be happier human beings if we took more satisfaction than we do out of doing things for the pure pleasure of doing them. If I do a kind act toward someone, or make a gift to him, that that does not mean that I should be repaid in kind. The glory of the deed, and the personal satisfaction that I have brightened some other life is quite enough.

It's the same with work. Just to work for a "salary" is what anyone can do, and only get a return for that work in money. Consider the worker who not only gets the money, but what goes so much further—the fun and enjoyment in the work, and the personal satisfaction that something useful has been accomplished.

He who takes pride in his work is a far better worker, and a more valuable employee, than the one who merely works to get paid. When I look upon a work of art I do not see in it so many dollars, should that work of art be exchanged for them, but I see hours of labor, dreams, and great joy, marked as definitely in that work as though it had been personally signed.

The late George Grey Barnard, the great American sculptor, was commissioned once to repair a portion of a painting of Michelangelo in the Sistine Chapel. One day, telling me of it, he showed me a small fragment in a little box that he prized because it had the thumb print of the great master upon it. He might have said a tiny fragment of the artist, as well! Great artists put themselves into all that they do.

I love to look upon the early creations of the pioneers and colonial who made things to last, for they had to, and so they put themselves into all that they made and did. How we prize the early furniture people, who made things to last, for they had to, and so they put themselves into all that they made and did. How we prize the early furniture note those books, that have lasted through the years, have been the few creations of those who wrote them. In many single instances all have been forgotten but one or two, into which the author put all that he or she had. And that was his or her personal satisfaction and hope for immortality.

Tomorrow Mr. Adams will talk on the subject: "The Comics."

COTTAGE FOR SALE
For sale: The summer cottage where the children used to play.

It has served its happy purpose, but the need has passed away.

The children now are married and have youngsters of their own, and I wouldn't hold a cottage I must occupy alone.

It's a comfortable cabin; one with every thing equipped.

It is only of the laughter that it knew, I leave it stripped.

I will sell the chairs and tables and the beds in which to sleep.

And the curtains and the pillows, but the memories I'll keep.

Where we once were all united, now no longer can we be. The children plan their summers just as long ago did we.

And it's right it should be that way. So, I'm on my way to nail.

A sign upon that cottage, with these simple word: "For Sale."

MAKES 2,000-FT. PARACHUTE LEAP

New York, Aug. 28 (AP)—Physical culturist Bernarr MacFadden, who celebrated his 83rd birthday with a 2,000-foot parachute jump into the Hudson river, Sunday, says he is "good for things like this for 10 more years."

"I recommend this for everybody," he adds. "It's a darn good thing to do. I could do it every day in the week."

When MacFadden was fished out of the Hudson after his jump Sunday, he said:

"I feel like a million. I feel 25. Next year, I'm going to jump over Niagara Falls."

MacFadden's parachute leap Sunday was for the dual purpose, he said, of demonstrating that "old age is just a habit" and that U.S. paratroopers need have no fear of landing in water.

But the publisher of health pamphlets and romance magazines almost failed to accomplish the second purpose. A wind caught MacFadden and almost dashed him into the rock palisades.

Then he narrowly missed a clump of trees on the cliff, and finally landed in the river only 20 feet off the New Jersey shore, near Alpine and opposite Yonkers, N. Y., just north of New York city.

From both banks of the Hudson, thousands of onlookers watched as the octogenarian jumped, his ski suit looking like red flannel underwear.

Rescuers dragged him into a fishing boat. Then MacFadden transferred to a yacht and personally took the wheel.

MacFadden had intended to jump near the George Washington bridge, but New York city authorities sent up a police helicopter to shoot him away. So he took his stunt upstream.

Some "eye-opening" facts for every American motorist:

Torture tests prove Kaiser
"Best on the road!"

Kaiser survives rugged test other cars fail

We have a machine here at Willow Run that actually breaks cars to pieces—to help us make better cars for you!

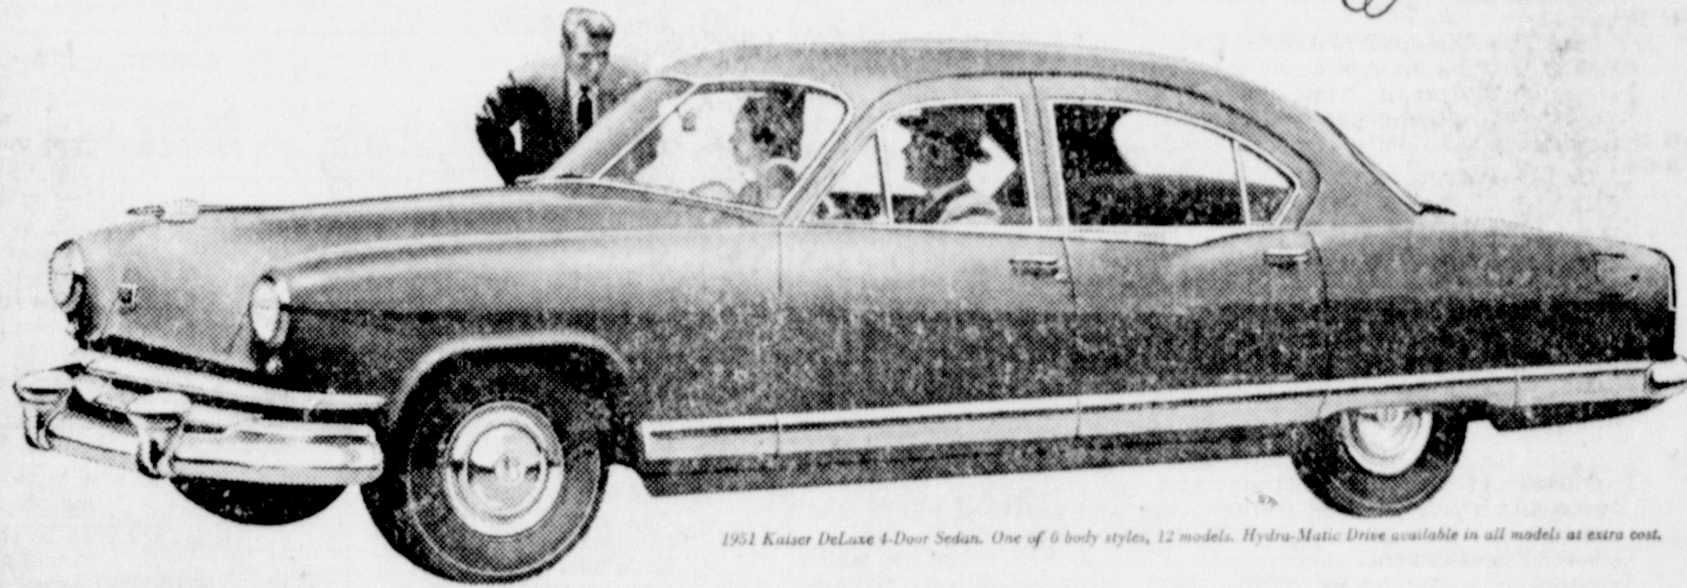

We call it a tensiometer machine, and we use it to torture new cars—Kaisers and other makes, too—hour after hour, until they literally break apart.

That way we measure exactly how much punishment various makes can take. And I'm proud to tell you that

no make we've tested yet has been able to take as much punishment as the Kaiser!

That's why even the "earliest" of the 600,000 Kaiser cars now on the road look newer and act newer than many "present day" cars! Better engineering and quality building is your assurance that the 1951 Kaiser you buy today will still be new years from now!

Heinz Kaiser

1951 Kaiser DeLuxe 4-Door Sedan. One of 6 body styles, 12 models. Hydra-Matic Drive available in all models at extra cost.

More "eye-opening" reasons why you ought to own the 1951 Kaiser today!

Kaiser styling is better styling!

Yes, even our competitors admit the '51 Kaiser is 1951's most beautiful car! And it's officially confirmed! Kaiser has just won its second World's Beauty Prize!

Kaiser comfort is greater comfort!

You can't sit five minutes in a Kaiser without discovering it's years ahead of other cars in riding luxury. It has the lowest center of gravity of any car today—plus airplane-type shock absorbers that literally let it float down the road like a shadow!

Kaiser vision is wider vision!

One look—and you'll be convinced Kaiser has the largest glass area of any four-door sedan—plus the narrowest corner posts. A vision-engineering combination that is a new discovery in pleasure and safety!

Kaiser safety is greater safety!

You're safer in your Kaiser because Kaiser has bigger brakes than most cars. And as an extra protection, for your front seat passengers, Kaiser gives you the famous Safety-Cushion Padded Instrument Panel!

Kaiser power is thrifter power!

You get better all-around economy with Kaiser's High-Torque Supersonic Engine! It uses less oil, needs less upkeep because of its longer-lasting Flash Chrome rings, 100% counterbalanced crankshaft, engine-cooling full-length water jackets!

That's why Kaiser value is better value!

Go for a demonstration—see for yourself what a better buy Kaiser is today! Your Kaiser-Frazer dealer will open your eyes to better value!

One good thing about modern cars. They very rarely succumb to major breakdowns without giving plenty of warning first. Have your engine, brakes, transmission and other car systems checked regularly and BE SURE that you can depend on your car.

gala reception. None of the world champions is more than 12 years old. The New Englanders won the title Saturday from North Austin, Texas, 3-0. The championship contest marked the second year in a row that Texas and Connecticut teams had played for the title. The Texas team won last year.

The tournament was the fifth annual World Series for the little leaguers, an organization for the pre-teenagers which has mushroomed to hundreds of teams scattered all over the country since the idea started here.
